

### GCU Endowment Fund Trust

A university is as good as its resources. As an autonomous institution, GCU has to generate its own resources to carry on and improve the quality of instructions, research work and other services. The demand for resources increased, since Government College Lahore became a University in 2002. Funds are needed to meet the academic expenses of the deserving students and to build new blocks and laboratories and restore old buildings of historic value. Universities all over the world seek financial support from philanthropists and their alumni to acquire a strong resource based. GCU too, look up to its students, past and present, to help in building up the Endowment Fund.

It is basic principle of Endowment Fund that the donated amount is never spent, only the income earned on amount is used. It allows donors to transfer their private earnings to public purposes, with the assurance that their financial support will serve the noble and constructive purposes as long as the instruction continues to exist.

The various permanent scholarships have been initiated by the Trust with the financial support of the donors. The most deserving students of GCU who also have excellent academic record can apply for these scholarships at the beginning of every academic session. After scrutiny of documents and interviews of the applicants, these scholarships will be given only for one year. The

Golden Scholarship' will cover university fee and hostel expenses of the selected student, however, 'Silver Scholarship' will cover only university fee of the selected student.

Name of every donor with his/her donation is recorded and shown on the 'donor's scroll' on the website of the Trust. Donation of any amount to the trust is welcomed, however for the 'Golden Scholarship' and 'Silver Scholarship' a donor has to give Rs.1,000,000 and Rs.500,000 respectively. These permanent scholarships are initiated after the names of donors and to be awarded every year. Mr. Iqbal Z. Ahmed is the President and Dr. Khalid Manzoor Butt is the Secretary of Executive Committee of the Trust. For details please visit the website: [www.gcueft.org](http://www.gcueft.org), or Contact: 042-99210555, 111-000-010 (Ext. 393)

### Old Ravians Union

The old students of GC University Lahore are also actively involved in the welfare of their Alma Mater. They have their own organization the "Old Ravians Union" established way back in 1934. The Vice Chancellor is ex-officio Vice President of the Union. Its office is situated in the University campus. After passing out, the students of GCU can apply for its membership. Biennial election of various posts of the Union are held in November in the University Campus. It provides social, cultural, intellectual and recreational activities to its members and keep the link intact between the
