

## Department Of Mathematics, Government Collage University Lahore

### Unpacking Mathematics: Weekly Lecture Series

**Topic: Decision Making**  
**Speaker: Prof. Dr Ismat Beg**

**Time: 2:30    Date: 12/9/2017**

**Seminar Hall, Mathematics Department, GCU Lahore**

About speaker:

Dr. Ismat Beg

Dr. Ismat Beg is HEC Distinguished National Professor at Lahore School of Economics. He is also an Honorary Full Professor, Institute for Basic Research, Florida, (USA). Dr. Beg is an internationally acknowledged scholar, researcher and teacher in the field of mathematical sciences. Dr. Beg is a Fellow of Pakistan Academy of Sciences. He was awarded Pakistan Academy of Sciences Gold Medal in 2008. He was also awarded first prize in mathematics for research by National Book Council of Pakistan, Government of Pakistan in 1986. He is an elected fellow of the Institute of Mathematics and its Applications (U.K.), a Chartered Mathematician and a Chartered Scientist. The access to his research articles is provided by: [https://www.researchgate.net/profile/Ismat\\_Beg/](https://www.researchgate.net/profile/Ismat_Beg/) <http://www.researcherid.com/rid/C-3015-2008>

Abstract:

In this talk, first he will present challenges' in theory about modeling decision making and in the end some open problems for future work will be proposed/discussed

Prof. Dr Ismat Beg
